# Degree Path: B.A. in Intercultural Studies

## Southwestern College of Bible and Church Ministries

### OVERVIEW

A bachelor's degree in Social Work at SAGU prepares generalist practice students to develop competent skills, values, and knowledge by ethical integration of the Christian faith within micro, mezzo, and macro level systems. Serving every system by promoting social justice with a commitment of advocacy and empowerment through prevention, intervention, and evidence-based practices, particularly among marginalized populations.

### CAREER OPPORTUNITIES

A BSW degree is a preferred degree for case management jobs such as Child Protection Services (CPS), mental health facilities, addictions services, homeless shelters, and beyond. Recently, our graduates were employed by CPS, private child placing agencies, public schools, Teen Challenge, and beyond.

### PROGRAM HIGHLIGHTS

- Dr. Barberis has a long history of direct practice in medical social work and child welfare (abuse and neglect). Professor Godsby has many years of direct practice in psychiatric social work and supervision. She is the Field Director for the BSW program, and closely connected to non-profit leaders in the DFW area. Our social work classes are infused with personal and direct practice experiences. SAGU BSW graduates have had very high rates of success with finding employment before or soon after graduation.
- The SAGU BSW program is fully accredited by the Council on Social Work Education (CSWE), which emphasizes the highest quality program and educational opportunities. Graduating from SAGU with a BSW degree is an avenue for students to qualify for Advanced Standing in an accredited MSW program. This is a phenomenal advantage!
