Please Note:

- This plan is one example of how to complete the degree in 4 years. It assumes no transfer credit and no developmental coursework. It will work for some, but not for all.
- You can meet with your scheduler, program coordinator, or department chair to plan around your circumstances and develop your personal degree path. Degree requirements and offerings are subject to change, so consult advisors for on-going updates.
- Course Offering Codes:
 - ∞ every fall and spring semester
 - * only that semester in odd years
 - *** to be taken *only* in specified semester
 - ◇ every year only fall/spring/summer (as listed)
 - ** only that semester in even years
 - ∞/◇ offering differs in order listed

Degree Path: B.A. in Elementary Education

College of Business and Education

OVERVIEW

The BA in Elementary Education is designed to prepare students to teach in the elementary classroom in a variety of settings including public, charter, and private schools. It is also designed to create a pathway to Texas State Educator Certification. Students in the Elementary Education degree program take courses designed to develop content proficiency in all areas taught by elementary teachers, including Language Arts, Science of Teaching Reading, Science, Social Studies, Math, and Fine Arts. The program includes extensive field experience in classrooms representing varied settings as well as a clinical teaching experience during the final semester.

CAREER OPPORTUNITIES

Graduates of the Elementary Education program who have completed all program and certification requirements are qualified and certified to teach all grade levels ranging from early childhood preschool programs through sixth grade. Additionally, graduates have additional training in the science of teaching reading and teaching English language learners.

PROGRAM HIGHLIGHTS

The Elementary Education degree is part of the Teacher Education Program. Upon completing 60 hours of credit, students must apply to be admitted to the Teacher Education program. Program requirements are detailed in the academic catalog. Some courses in the degree plan require program approval prior to enrollment. These courses include:

- EDU 4173 Cur. Dev. & Assessment I
- EDU 4183 Cur. Dev. & Assessment II
- EDU 4563 Special Issues and Populations
- EDU 4969 Clinical Teaching

One of the highlights of our program is the opportunity for students to engage in the local school communities by completing field experience. Students visit and participate with assigned classrooms at varied grade levels and subjects in area school districts. Courses within this degree that require field experience include:

- EDU 2253 Foundations of Education
- EDU 4173 Cur. Dev. & Assessment I
- EDU 4183 Cur. Dev. & Assessment II
- EDU 4563 Special Issues and Populations
- RDG 3413 Foundations of Lit. Instruction
- RDG 3423 Reading & Writing Across Cur.
- RDG 3433 Lit. Assessment and Instruction

PROGRAM REQUIREMENTS
