Degree Path: B.A. in Music Ed All-Levels

College of Education & Integrated Studies

OVERVIEW

The Music Education degree is designed to prepare students for state certification and qualify them to teach music in Christian, private, or public classrooms around the world.

CAREER OPPORTUNITIES

Graduates of the Music Education Program who have completed all program and certification requirements are qualified and certified to teach all grade levels in the public and private classroom.

PROGRAM HIGHLIGHTS

Upon completion of this program, students will:

1. Demonstrate basic proficiency in a major performance area by employing technical exercises, sight reading materials, harmonization and improvisation techniques, transposition skills, and performance of repertoire in the applied music lessons.
2. Demonstrate knowledge of the fundamentals of written and aural music theory by incorporating techniques of composing, arranging, analyzing music, as well as aural recognition of melodic, harmonic, and rhythmic patterns.
3. Demonstrate integration of rehearsal techniques such as conducting, classroom management and lesson planning.
4. Differentiate the composition styles of composers according to musical time periods.
5. The Music Education program will provide students with sufficient preparation opportunities for Texas State exams.

We strive to present a quality music program for students inclusive of performances, opportunities and instruments.

Students will choose from one of the following tracks: **Instrumental, Choral, or Piano.** You will take 9 hours that are specific to your chosen track.

Students must apply for Teacher Education Program approval in their fourth semester.

Students who do not pass the Piano Proficiency Exam will need to complete Class Piano I-IV in addition to their other program requirements.
